2027 COLLECTION

SHORT DRESSES COLLECTION

2027 brings a broader selection of bridal looks, with fresh styles that combine chic dressing with a stronger focus on statement pieces. Created for the transitional bride, the collection offers looks to wear, combine and make your own. Picture bold designs, statement laces and sheer details. Clean silhouettes meet more expressive styles, while separates and versatile pieces open up new styling options.

Easy to wear and designed with a focus on fit, the collection is crafted to minimise alterations. From modern civil ceremonies to the moments that follow, a collection made for more than one bridal moment.
